Where: Millennium Broadway Hotel and Conference Center

About Invida Group Pte Ltd

Invida improves the lives of patients in Asia by commercializing differentiated pharmaceutical products of superior quality - the result of which will allow all Invida stakeholders to prosper. This is done through proven brand marketing and sales know-how, strong expertise across a number of key therapeutic categories and deep experience in all critical Asian markets. Comprehensive functional capabilities provide rapid market access delivered by our passionate team of professionals.

With 4,000 employees in 13 markets in Asia Pacific, Invida operates across the commercial value chain from regulatory approval and product launch to lifecycle management. We manage a portfolio of proprietary healthcare brands as well as licensed products from small biotech firms and large multinational companies. Partnering is a critical component of Invida's business model. We collaborate closely with our partners in developing effective strategies and put our extensive experience behind maximizing the potential of the assets entrusted to us. For more information on Invida, please see www.invida.com.
